

E-MAIL ADDRESSES NEEDED.....

Time is running out to get on the E-mail Distribution for the Falcon Flyer.....

Have you noticed lately everyone is going green?

- BYOB – Now means “Bring Your Own Bag” to the store.
- Incandescent light bulbs are being replaced with more energy efficient fluorescent light bulbs.
- Bottles, cans, plastics & newspapers are being recycled in increasing quantities.
- Cars are becoming more fuel efficient and using alternate energy sources.
- Walking and bike riding are not just for exercise anymore.
- All in an effort to reduce our carbon footprint.

We are all doing things to improve the environment and make it a better place for our children.

The Fairview PTA fully supports this positive movement and encourages all to join in.

To assist in making the PTA more environmentally friendly we are going to start distributing many communications via e-mail. Using e-mail will save time, money, paper and help sustain and improve the environment. **However, to make that happen we need your e-mail address.**

NOTE: Effective January 2009 Monthly Fairview Falcon Flyer is totally electronic.

To make this a success and to leave no one behind we **need your E-MAIL ADDRESS.**
All information will be sent via blind copy so there is not a concern with solicitation, privacy etc.
Please complete the following.....

We want to support “Going Green” and get our newsletter via email:

Name: _____

Student(s) Name: _____ **Grade:** _____

E-mail address: _____

**Sorry, we cannot go green - we need a hard copy of the monthly newsletter.
(Please note that hard copies will only be available by written request, and
copies will need to be picked up at the school office).**

Name : _____

Students' name & grade _____

Please return completed form to the office.
