THANK you for supporting the Fairview PTA and therefore your own child as well as others both here and across Illinois and the USA.

Together we are part of something bigger than Fairview. We belong to the National PTA and Illinois PTA. To support these structures we need to share the dues collected (\$3.25). Costs have increased and the Illinois PTA has increased their dues by .50 per person (\$3.75). At the Fairview PTA General Meeting in January we voted NOT to pass this increase onto our members, but to absorb it. The Fairview PTA will continue to have dues of \$5.00 for individual and \$10 for Family for the 2010-2011 School Year.

Just wondering, did you send your membership check for this year yet? We do need your financial support. We promise we will not call you just because you joined the PTA.

There are GREAT Things happening at Fairview in the Month of February. The Reading Recognition Skating Party is Saturday February 13th 4:30 to 6:30. If you completed your reading minutes on time, an invitation will be coming your way.

Winter Blood Drive 2/16 12:30-6pm at D54 Administration Bldg on Schaumburg Road.

Incoming Kindergarten registration is 2/24 from 9am-11am, 1-2:30pm and 6PM-8pm

One Night – Two Great Events at One Fantastic School. It is back Celebrate Reading & Writing and Pasta Night - Friday February 26th 6PM – 8:30. Make plans to attend. Where else can you read upcoming authors and dine with friends. Look inside the Flyer for details on both events.

My time as PTA President is drawing to a close. The Nominating committee is seeking individuals to be part of the next executive board. Please consider taking on an active role in your PTA. Seeking nominations for President, 1st VP, 2nd VP, Treasurer, Recording Secretary and Corresponding Secretary. Please nominate yourself or a friend for one of these positions.

From the desk of the Assistant Principal....

Dear Parents and Guardians,

It has been an incredible couple weeks here at Fairview! We had a huge turn out for our Variety Show last Friday evening. Our students displayed tremendous talent as they sang, danced and acted their way through the evening. Thank you to all of our families who braved the cold to cheer them on.

In addition to developing as performers, our students have been growing tremendously as learners. As I walk in and out of classrooms I see students working hard to master new concepts. They have also been preparing for conferences. Students look forward to sharing their progress with you in the next couple days at parent-teacher conferences. We really appreciate you taking the time out of your busy schedule to support your child's progress. Be sure to stop by our PTA Book Fair on Thursday. You will find a wonderful selection of books to choose from for your child.

I want to give a special thank you to our PTA. They provide so many wonderful opportunities for our students- Roller Skating Parties, Birthday Books, Hot Lunches, and much more. I feel fortunate to work with a community that gives so generously of their time.

Though it is hard to believe, ISAT testing is approaching! The testing window for ISAT begins on March 1st and runs through March 12th. Please remember how important it is for our children to be here and on time. Eating a healthy breakfast each day is one of the best strategies for success on the ISAT's!

We have some important events coming up soon. On Friday, February 26th Fairview will have its annual Celebrate Reading and Writing from 6:00 - 8:30. Please come out to celebrate our authors here at Fairview! On February 19th, the Foundations Mardi Gras will take place. This is a fun event which supports all of the students in District 54.

Let's hope the groundhog was wrong and spring is around the corner!
Sincerely,

Mrs. Cathie Fletcher
Assistant Principal

Congratulations Mrs. Nancy Quintana, the Fairview Falcon Flyer Spotlight shines upon you!

How long have you been a teacher? I have worked in District 54 for the last 8 years, as a general instructional assistant, a bilingual teacher and a bilingual assistant at Dirksen, Stevenson and now Fairview. This will be my third year (hopefully of many more) with my wonderful friends and colleagues at Fairview. Although I work mostly with students from first through sixth grades, there are times I get to work with kindergartners as well!

Tell us about your family

My husband, Richard and I will be married 32 years. We have three lovely daughters, Tessa, Gabby and Krystina. Krystina is our "baby"; a junior in high school.

If you were not a teacher what would you be? At one time I wanted to be a famous fashion designer, then I became interested in plants and gardens and did landscape design, but I have always been fascinated with art, people and languages, so I guess an artist who travels the world would be a great choice!

Did you have a favorite subject when you were a student? Art class and the freedom to create and experiment with different materials was always one of my favorites. However, amazingly enough I also really enjoyed auto shop class, Spanish, sewing and literature.

Did you have a favorite teacher when you were a student? Why were they special? I will always remember Mrs. Frances, my second grade teacher. She had silver hair, thick lensed glasses, and she really made the magic of reading come alive for me. When she treated me to a trip to the bookroom to pick out a special book, it was like visiting Ali Baba's cave of treasures!

Do you have any advice for students?

Try to do your best at all times, but don't be too hard on yourself when you make a mistake. Think of school as an adventure, treat each classmate as a friend, and math problems as puzzles, and don't forget to have fun and enjoy your learning!

Were you a good test taker as a student?

Honestly, I really was, almost to the point of embarrassment. My close friends and I would have fun quizzing each other before a test. We would challenge ourselves to get a good grade; congratulating each other when we did well, or encouraging each other when we didn't.

Do you have any pets? Our last dog was an adorable, smart beagle. He was sixteen years old, but he died this past Labor Day. We haven't gotten any more since, but eventually would like to get another dog..

What is the best advice your mother or father gave you One of my mother's favorite quotes is the refrain of an old song, "Brighten the Corner Where You Are". Basically, it means to do your best and make things pleasant for others around you no matter where you are, instead of complaining that you would rather be somewhere else. Be thoughtful of others, helpful and cheerful, and usually people will be the same to you.

What 3 people past or present would you like to have dinner with & why? My husband, Richard (he is always traveling for his job, and he is a fantastic cook!), Frida Kahlo (to practice my Spanish and discuss her amazing artwork), and Andrea Bocelli (I'd make him sing for his supper).

Favorite Candy?: Anything chocolate!

Join the Fairview PTA! See pages 17-18

3 movies you would watch over and over:

Hans Christian Anderson, with Danny Kaye (music, fairy tales, and fun)
Reign over Me, with Adam Sandler (about the importance of friendship)
Pan's Labrynth (childhood fantasy and adventure).

3 places you've been on vacation:

Israel; Tel Aviv and Jerusalem - unbelievable layers of history
France; Paris and the Loire Valley - beautiful, cultural and castles
South America; Macchu Picchu in Peru and el Valle Nevado in Chile - breathtaking scenery

Do you have any hobbies? Gardening, reading, visiting new and interesting places, cooking, needlework and crafts, decorating.

What is your favorite thing about yourself? My ability to find and appreciate beauty and laughter in everyday objects and events.

What is the strangest food you ever ate? Guinea pig in Peru. They're called "cuys" because of the sound they make, and they are roasted like small chickens. Yes, they do taste somewhat like chicken!

What do you consider your biggest blessings? My family and good friends to love and share the glad and sad times with, and the opportunity to work with such awesome staff, students and parents at Fairview!

Help Your Child Get Ready for ISATS

Parents the ISAT assessment is coming up soon. This assessment is used by the state to evaluate schools and school district while teachers use this assessment to determine how to best meet the needs of individual students. The following is one website that you can go to for information about things you could do at home with your child to help them be ready for the ISAT. <http://www.psae-prep.com/psae-elementary.htm>

**"Get Fit for the Falcon" Fundraiser
Friday, March 19, 2010**

Dear Parents,

On March 19th, Fairview students will be participating in a fundraiser event called "**Get Fit for the Falcon.**" This event will consist of an all school walk around Fairview school and will promote both good health and school spirit. Our goal is to raise \$1500 to put toward the purchase of our future school mascot and incentives for our positive behavior reward program (PBIS).

The walk will begin at 1:15 pm on March 19th, and parents are welcome to join us *outside* the building to cheer students on. Students will walk for approximately 45 minutes and will be greeted with refreshments in their classrooms upon return. We hope that parents and additional family members will be able to support us in this endeavor by sponsoring your child.

Your child will be bringing home a pledge form this Friday. Please note that we are trying to raise money in a healthy and fun manner and all money raised will benefit Fairview students. Pledges will consist of flat donations, and can be in any increment. Pledge donations can be turned in to classroom teachers at any time between February 16th- March 19th, 2010. Students can obtain as many pledges as they desire, and no donation is ever too small! Additional pledge sheets can also be obtained from classroom teachers. Please contact Melissa Lose, School Social Worker, at (847) 357-5684 if you have any questions.
