

Happy Halloween....

- Are you ready to trick or treat? Remember safety first.
- Are you free one Thursday a month??? Our school needs some representation on the **D54 District Citizens' Advisory Committee**. If you are interested, let Mrs. Erbach know.

## Join the Fairview Book Club for Parents

Let's face it, being a good parent is hard work! It takes patience, wisdom and support. That's why we are starting a book club for parents this year. Here's what you'll gain by joining our club:

- Knowledge and insight – tangible ideas for parenting
- Friendship – connections with other parents
- Balance – a chance to take time out for yourself

The first book selection is:

### 12 Simple Secrets Real Moms Know: Getting Back to Basics and Raising Happy Kids by Michele Borba, Ed.D.

Don't let the title fool you – DADS will get a lot out of it too! The book is available at the Schaumburg Library, local book stores or you can request a copy from the PTA (see email address below).

Read the book by **December 2**. We'll meet in the Fairview Library from 7 p.m. until 8:30 p.m. to discuss the book. Babysitting is available.

**Please send an email to [Dominice@Ameritech.net](mailto:Dominice@Ameritech.net) and state that you are interested in attending our first book club meeting.** All are welcome and you can participate as much or as little as you like (if you simply want to come and hear what others have to say, that's OK!)

The next book selection will be announced at the Dec. 3 meeting. Questions can be directed to the Fairview PTA Parent Enrichment Committee Chair, **Dominice Einig**, at 847-413-9326.

## DCAC Representatives Needed!

The District Citizens' Advisory Committee is a School Board committee made up of parents and representatives of community agencies. DCAC provides input to the School Board on District topics and promotes education and community involvement.

Membership Responsibilities include:

- Attend monthly meetings (second Thursday each month – September through May) 9AM to 10:30 AM
- Provide input on various District 54 topics
- Share information with you constituency

Each school is encouraged to have representation on this important committee. If you are interested in being on this committee, please call Mrs. Erbach for an application.
